matchbox

Our Sunday worship experience for students, matchbox is a gathering of people prepared to be set ablaze. Service includes worship music, pointed message and other key elements that enhance our relationship with God. We hope that as you come, you experience God on a personal level, and develop closer relationships with God & each other. Matchbox meets at 10am Sunday in the Chapel at Woodmen Campus.

ignite

Wednesday evenings, middle school students get together to meet in small groups and discuss relevant topics and dig deeper into the truth. Ignite is to catch fire or to cause something to catch on fire, so as we dig deeper our hope is that the youth would catch on fire for God. Ignite meets in the youth room of the Woodmen campus Wednesdays from 6:30-7:30pm.

wildfire

High school students come together on Wednesday evenings to meet, break into small groups, and go deeper into God's truth by discussing relevant topics and challenging each other. As wildfire we are an uncontrollable burning of passion for Christ. Wildfire meets Wednesdays in the chapel of the Woodmen campus from 6:30-7:30pm.
